

REMARKS

On July 6, 2009, Appellants filed a Request for Continued Examination (RCE), following the Notice of Appeal filed May 4, 2009. The Patent Office issued a Notice of Non-Compliant Amendment (PTOL-324), mailed July 8, 2009. This claim listing is filed in response to the Notice of Non-Compliant Amendment.

It appears that a number of withdrawn claims remained in the case, and these were not accounted for in the claim listing submitted with the RCE on July 6, 2009. Accordingly, this paper contains a complete listing of the claims.

The only claims previously under consideration in this case were claims 17, 83, 95, and 96. These are now canceled and claims 97-101 are added. Claims 1, 3-6, 8, 9, 12-14, 81, 82, and 84-94 are withdrawn.

The Applicants respectfully submit that claims 97-101 are in condition for examination. An allowance of these claims is respectfully requested.

Respectfully submitted,

Dated: July 29, 2009
